NICOLE CRYSTAL

Nicole is founder and Chief Creative Officer of The Memory Vault, LLC, a company specializing in custom-made photo books, photo management & organization, greeting cards and photography. She received a Bachelors of Science Degree from Boston University in Mass Communication and also holds a New Jersey Teaching Certificate in Elementary Education (K-8). In her free time, she enjoys traveling, music of all genres, playing guitar, photography, volunteering, reading and writing. She credits her mom, who introduced her to great music at an early age, for igniting her passion for music. Nicole has been an active member of her family foundation since 1995 and joined the board as an independent, voting member in 2013.
